Hi there!

Let us start out by letting you know just how excited we are to get started working with you! If you need any assistance with using our template or placing your order, just give our Customer Obsession Team a call. Here is everything that you will need to get started designing your order....

## Artwork File Specifications:

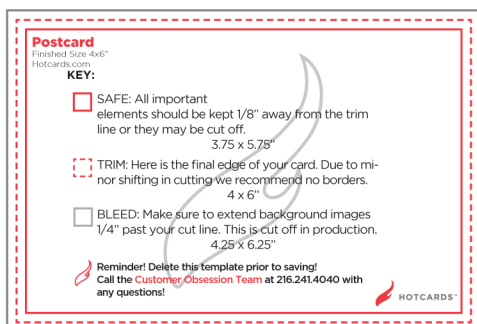

1/8" Bleed on all files

CMYK color files

PDF, JPEG, or TIFF file types

300DPI resolution minimum

## Stages of Design (based on a 4x6" Birth Announcement):

Step 1: Begin with the template provided.

Step 3: Remove the template from your design & save your artwork!

Step 2: Add in your awesome artwork to the template guides.

Step 4: Upload to your Hotcards order & send to press! We'll take care of the rest.
